We take pride in our commitment to excellence, reflected in our consistent revenue growth at a rate of over 25% CAR, year over year

Our team of over 60 dedicated employees ensures that our customers & needs are met, from sourcing the finest materials to delivering exceptional customer service. We are driven by our values of Value Relationships, Customer Focus, and Encouraging Creativity, which have been the cornerstones of our success

THE FLAVA STORY

Flava was born as a consequence of a constant demand in the market for stylish, well-crafted, and well-curated interior and exterior products. With an expanding population of evolved and contemporary customers looking to express themselves through the interiors of their spaces, Flava was the need of the hour.

An initiative by Vishal Ply. Flava aspired to bridge this gap in the industry by giving life to a new league of interior product experience. Vishal Ply, being one of the most popular brands in India, brought together its experience and expertise to offer an unmatched interior product experience. Today, Flava is proud to bring its clientele the latest and most innovative products that are always ahead of the curve.

OUR MANUFACTURING UNIT

At Flava, our commitment to quality begins with a meticulous manufacturing process that ensures excellence in every product we create. From the initial selection of premium raw materials to the final stages of production, each step is carefully monitored to maintain our high standards. Our state-of-the-art machinery and skilled workforce collaborate seamlessly to transform raw materials into innovative laminates, plywood, and wall panels and various exclusive interior products. Rigorous quality checks are conducted at every phase, ensuring that our products not only meet but exceed industry standards. Sustainability is at the heart of our operations, as we strive to minimize waste and utilize eco-friendly practices. The result is a range of superior interior products that enhance both functionality and aesthetics in any space.
